

# THIRD DAY REVELATION

## **This Is Who I Am**

words by Mac Powell / music by Third Day

I'm a son of a good man  
I'm the child of an angel  
I'm the brother of a wild one  
And I'm looking for direction  
I'm the lover of a beauty  
I'm the father of blessings  
I'm a singer of a love song  
But is that all I'm good for

*This is who I am  
This is who I am  
So take me and make me something so much more  
This is who I am  
This is who I am  
So change me and make me someone better than  
before*

I'm a saint and a sinner  
I'm a lover and a fighter  
I'm a true believer, with great desire  
I'm a preacher of grace, prophet of love, teacher of  
truth  
I've fallen down so many times  
But here I stand in front of you

Take me as I am  
But please don't leave me that way  
'Cause I know that you can make me better than I  
am today

## **Slow Down**

words by Mac Powell / music by Third Day

Tell me to slow down  
If you think that the road that I'm on is going  
nowhere  
Tell me to slow down  
If you know that I'm going too fast for my own good  
Tell me to slow down  
If the way is leading to a dead end  
Tell me to slow down  
Turn around, let me change the way I'm going

*Oh, I don't want to let go*

*Of all the things that I know  
Are keeping me away from my life  
Oh, I don't want to slow down  
No, I don't want to look around  
But I can't seem to work it out  
So help me, God*

Tell me to slow down  
If you see that I'm running too fast in the wrong race  
Tell me to slow down  
If you think that I can't keep up with my own pace  
Tell me to slow down  
'Cause you know if there's ever any question  
Tell me slow down  
Turn around, and I'm changing my direction

## **Call My Name**

words by Mac Powell / music by Third Day

It's been so long since you felt like you were loved  
So what went wrong  
But do you know there's a place where you belong  
Here in my arms

*When you feel like you're alone in your sadness  
And it seems like no one in this whole world cares  
And you want to get away from the madness  
You just call my name and I'll be there  
You just call my name and I'll be there*

The pain inside has erased your hope for love  
But soon you will find  
That I'll give you all that your heart could ever want  
And so much more

You just call my name  
You just call my name

Call my name, say it now  
I want you to never doubt  
The love I have for you is so alive

Call my name, say it now  
I want you to never doubt  
The love I have for you is so alive

You just call my name

You just call my name  
You just call my name now

The love I have for you is so alive  
The love I have for you is so alive  
You just call my name  
You just call my name  
You just call my name

### **Run To You**

words by Mac Powell / music by Third Day

I was tired of waiting  
Playing all the games and  
Living in a place that was not for me  
So I thought it was time  
For me to get what's mine  
And to do it all, everything I dreamed  
What I thought was the best of me turned to be  
All the worst I could find

*If I run to you  
Will you hold me in your arms forevermore  
If I run to you  
Will you hold me in your arms forevermore*

Now I got a feeling  
That I've got to leave and  
Find a way back to where I came from  
Though I don't deserve it  
I know it's unheard but  
Living here without you, my life is done  
I confess that I shouldn't have run from you  
Now I know I was wrong

Nowhere to run to  
And no one to turn to  
I'm dying out here on my own  
Long before I even thought of returning  
Your arms are wide open  
Waiting for me to come home

### **Revelation**

words by Mac Powell / music by Third Day

My life has led me down the road that's so uncertain  
Now I am left alone and I am broken  
Trying to find my way  
Trying to find the faith that's gone

This time I know that you are holding all the answers

I'm tired of losing hope and taking chances  
On roads that never seem  
To be the ones that bring me home

*Give me a revelation  
Show me what to do  
'Cause I've been trying to find my way  
I haven't got a clue  
Tell me should I stay here  
Or do I need to move  
Give me a revelation  
I've got nothing without you  
I've got nothing without you*

My life has led me down this path that's ever winding  
Through every twist and turn, I'm always finding  
That I am lost again  
Tell me when this road will ever end

I don't know where I can turn  
Tell me, when will I learn  
Won't you show me where I need to go  
Let me follow your lead  
I know that it's the only way that I can get back home

### **Otherside**

words by Tai Anderson and Mac Powell / music by Third Day

I've been sitting here for way too long  
It's time that I was moving on  
I know that there's a better way  
I think I'm going to make a change  
So come along now to where I'm going

*Take me to the other side  
'Cause I need something better  
Take me to the other side  
'Cause I want to live forever*

One thing that's for sure I know  
This won't be an easy road  
Let me ask before I leave  
Won't you come along with me

So come along now to where I'm going  
Come along now to where I'm going

Take me to the other side  
Take me to the other side  
Take me to the other side  
'Cause I want to live forever  
Live forever  
Take me to the other side

### **Let Me Love You**

words by Mac Powell / music by Third Day

Ever since the world around you shattered  
You've been looking everywhere for something  
more  
Sometimes you feel like your life doesn't matter  
But it does  
I tell you it does

*Come on let me love you now  
Come on let me love you and hold you through the  
storms  
I will keep you safe and warm  
Come on let me love you now  
Come on let me love you and kiss away your tears  
I will always be here  
Come on let me love you*

Yesterday you found your heart was broken  
Tomorrow doesn't leave much room for hope  
Today you'll find that my arms are wide open  
And my heart  
My heart is full of love

Give up on all the other things  
'Cause my love can bring you more  
And if you take a chance on me  
I'll give you what you're looking for

### **I Will Always Be True**

words by Mac Powell / music by Third Day

I will always be true  
No, I'll never be leaving  
I will be here with you  
Through the storms and the seasons  
Through the sun and the rain  
Through the joy and the pain  
I will know what to do  
I will always be true

I will always be true  
No, you never should doubt it  
Once again I will prove  
There is no way around it  
Through the questions and tears  
Every day of the year  
I will know what to do  
I will always be true

If you need a shoulder to cry on  
I'm here every time  
And when you need a hand to hold  
I'll give you mine  
I'll give you mine

I will always be true  
You can always believe it  
And when my life is through  
Well, I hope you will see that  
Every day that I live  
Every breath that I breathe  
Yes, it all was for you  
I will always be true

### **Born Again**

words by Mac Powell / music by Third Day

Today I found myself  
After searching all these years  
And the man that I saw, he wasn't at all who I  
thought he'd be  
I was lost when you found me here  
And I was broken beyond repair  
Then you came along and you sang your song over  
me

It feels like I'm born again  
It feels like I'm living  
For the very first time  
For the very first time  
In my life

Make a promise to me now  
Reassure my heart somehow  
That the love that I feel is so much more real than  
anything  
I've a feeling in my soul  
And I pray that I'm not wrong  
That the life I have now, it is only the beginning

It feels like I'm born again  
It feels like I'm living  
For the very first time  
For the very first time  
It feels like I'm breathing  
It feels like I'm moving  
For the very first time  
For the very first time

I wasn't looking for something that was more  
Than what I had yesterday  
Then you came to me and you gave to me  
Life and a love that I've never known  
That I've never felt before

It feels like I'm born again

It feels like I'm living  
For the very first time  
I'm living for the first time  
It feels like I'm breathing  
It feels like I'm moving  
For the very first time  
I'm living for the first time  
In my life

### **Give Love**

words by Mac Powell / music by Third Day

Whisper softly to me  
Share with me your heart  
And just ignore the world and what it does  
I know that you've been hurting, you've been torn  
apart  
And I pull you close and hold you in my arms

*If you give love  
I'll return the love and you will see  
So much more than you gave away  
If you give love  
Give it to me*

Listen very closely as I sing this song  
And please believe that I mean every word  
When I say I love you  
I mean it with all my heart  
Let it be the best thing that you've ever heard

Whisper softly to me  
Share with me your heart

### **Caught Up In Yourself**

words by Mac Powell / music by Third Day

Take a good look around you  
And I'm sure that you are bound to  
Think that all you have comes down to  
You and what you've done  
If you look far beyond this  
There's a life I hope you don't miss  
What has kept you from moving on  
Is learning to let go

And there's so much more  
Than what you're looking for

*Caught up in yourself  
Call it like it is  
Well, you're so good  
But you'll never be good enough*

You think if you surrender  
It's the end, but just remember  
Life is more than dying embers  
Burning in your soul

And I know it's true  
'Cause I am just like you

Thank God for mercy  
Thank God for His grace  
Thank God for everything you've got  
Before it's too late

And there's so much more  
Than what you're looking for

### **Ready**

words by Mac Powell / music by Third Day

I'm ready for the winds to change  
I'm ready for a brighter day  
I'm ready for the sun to shine down on me  
I'm waiting for a song to sing  
I'm looking for a brand new thing  
I'm ready now to live a life that I believe

*I want the world to turn because of love  
And mercy to find each of us  
Doing what we can to just believe  
I want the world to know that You're the One  
Who fills me up and gives me hope  
And brings about this change that's in me  
Oh yeah, I'm ready, yeah  
You know I'm ready now*

I'm ready for the truth to be  
Something that can set us free  
Does anybody still believe we'll make it through  
I'm ready now to take a stand  
To live life for more than myself  
Tell me now, my friend, are you ready, too

I can't sit around waiting for it all to change  
It's gonna take every single one of us doing what  
we can  
There's lots of fighting in this world but there's so  
much loving, too  
So take my hand, I'm ready now for you

Lord knows I'm ready  
You know I'm ready

I'm ready for the winds to change  
I'm ready for a brighter day

**Take It All**

words by Mark Lee / music by Third Day

All the promises I've broken  
All the times I've let you down  
You've forgot them  
But still I hold on to the pain that makes me drown  
Now I'm ready  
To let it go  
To give it away

*Take it all*

*'Cause I can't take it any longer  
All I have, I can't make it on my own  
Take the first, take the last  
Take the good and take the rest*

*Here I am, all I have  
Take it all*

All the roads that lie before me  
All the struggles I go through  
Every second I'm reminded  
That it all belongs to you  
Now I'm ready  
To let it go  
To give it away

Ever since I died to myself  
You gave a better life to me  
I give you my finest moment  
I give you the last breath I breathe
