

LEELAND

THE GREAT AWAKENING

The Great Awakening

(Leeland Dayton Mooring)

One man wakes, awakens another
Second one wakes his next door brother
Three awake can rouse a town
And turn the whole place upside down
Many awake will cause such a fuss
It finally awakes all of us
One man wakes with dawn in his eyes
Surely then it multiplies
Surely then it multiplies

All Over The Earth

(Leeland Dayton Mooring, Jack Anthony Mooring)

Oh, we give You praises
For You alone are holy
Jesus, Your name is greater
For You alone are holy

We want to see
Your victory
All over the earth
All over the earth
Your kingdom come
Your will be done
All over the earth
All over the earth

All glory in the highest
All glory in the highest

Be lifted up, Lord
Be lifted up, Lord

You are holy
You are holy

Chains Hit The Ground

(Leeland Dayton Mooring, Jack Anthony Mooring, Michael DeWayne Smith, Shelly Mooring)

I'm holding on to You
It's all I know to do
When fear has had me bound
When enemies surround
There's freedom in this truth
My salvation is in You

*And I remember the nails that You took for me
When You died in my shame and iniquity
Jesus, You have set me free
The thorns of my pain You wore in a crown
When You bowed Your head
Your love was poured out
And my chains hit the ground*

You are the Rock I've found
Above the shifting ground
Amid a raging war
You're the One I'm fighting for
For all of my years
My banner will be clear

I am Yours
And even though the waves, they crash below
I'm holding onto love
I'm holding onto love
I am Yours
Forever all my days, I lay before Your holy love
I'm holding onto love

I Can See Your Love

(Leeland Dayton Mooring, Jack Anthony Mooring)

Staring at the glow of the city lights
In the land of the rising sun
You hear the cries from the hearts of everyone
An ocean apart from my town tonight
But I know I'm not alone
I feel You just as close a thousand miles from home

*I can see Your love, I can see Your love all around
Everywhere I go, everywhere
It's surrounding
I can feel Your heart, I can feel Your heart
Beating for us now*

Sinking my feet in the muddy ground
Lifting my face in the rain
I see Your kingdom in the middle of hunger and pain

I feel You in the hands of the poor
I hear You in the song of the weak
There is no place too far that You can't reach

I see it in the sun
I see it in the sky
Your glory's everywhere
Your love is alive
I see it in Your Son
I see it when He died
I see it when He rose
Your love is alive
Oh yeah, Your love is alive

Could we with ink the ocean fill
And were the skies of paper made
Every tree on earth a quill
And every man a scribe by trade
To write the love of God above
Would drain the ocean dry
Nor could the scroll contain the whole
Though stretched from sky to sky
Oh love of God, how rich and pure
How measureless and strong
It shall forevermore endure
The saints and angels songs
Oh love of God, how rich and pure
How measureless and strong
It shall forevermore endure

I Wonder

(Leeland Dayton Mooring)

At the stars in the night, I wonder
At Your lightning in the sky, I shudder
Your glory is a blanket that covers
Every living thing
I'm in awe at the majesty of who You are
Your love is a seal burnt inside my heart
All of the day I want to be where You are
Holy Father

And it feels like there's not enough praise inside of me
With all these words, all my heart can sing is holy
You are holy

Jesus Christ

*You bled Your love, laid down Yourself
And gave me life
In naked shame You hung and You were lifted high
Here I lay in awe and wonder
I am afraid
For no one's ever sacrificed and loved me this way*

*So on my face I fall under Your heavy grace
Here I lay in awe and wonder
And I wonder*

I'm in awe at the majesty of who You are
Your love is a seal burnt inside my heart
All of the day I want to be where You are
Holy Father

And it feels like there's not enough praise inside of me
With all these words, all my heart can sing is holy
You are holy

Pages

(Leeland Dayton Mooring, Jack Anthony Mooring, Paul Moak)

When I stand before God's throne
Nothing hidden, nothing unknown
Dead to my body, my old life He took
God will hold in His hands my days in a book

When I kneel down that day
Looking upon His holy face
I will remember with trembling
Every single moment, every memory

*Who was I and where was I going
What kind of fruit were my actions growing
Staring at the pages
He'll be staring at the pages of my life
Was my passion just to know Him
Did I really let it out and show Him
Staring at the pages
He'll be staring at the pages of my life*

This house I'm building every day
Silver and gold, straw and the hay
Tried by fire
Will it stand when the flame gets higher
Or will it burn away

In Your presence I belong
And without You, I am lost
Come and change me from the inside
In my weakness, You are strong
By the power of the cross
Come and change me from the inside

*Who am I and where am I going
What kind of fruit are my actions growing
Staring at the pages
You are staring at the pages of my life
Is my passion just to know You
Am I living this life to show You*

*Staring at the pages
You are staring at the pages of my life*

Not Afraid Anymore

(Leeland Dayton Mooring, Jack Anthony Mooring, Michael DeWayne Smith, Shelly Mooring)

I feel Your lightning waking me up
From the sleep of my timid soul
I've been in hiding from all Your plans
Your command that told me to go
And I've spent all my life keeping my head down
But I'm lifting up my eyes
I raise my flag up high, my flag up high

*I'm not afraid anymore
'Cause I am running with Your fire, Lord
I'm picking up my sword
You train my hands and my fingers for war
I'm not afraid anymore*

I hear the trumpet ringing out in these streets
Where kingdoms collide
So I'm responding
This is a fight for love, this is death or life
And when my knees are weak
I know Your hands are strong
And they are holding me
I'll never be alone, never be alone

You're chasing my fears away
There's no reason to be afraid
Your love is here chasing my fears away

Your love is here chasing my fears away

I Cry

(Leeland Dayton Mooring, Jack Anthony Mooring)

Fear is far from love
And I feel scared enough
To think You've given up on me
But I can't hide my shame
You know my deepest pain
You are well acquainted with my grief
Oh great God of power
I have lost my strength
This is my desperate hour

I'm calling out Your name

*I cry
Are You out there tonight
Or am I all alone
This time it's the fight of my life
So I cry
I can't do this on my own
I can't do this on my own
I am giving You control*

If weakness is a crown
Then I kneel before You now
And lay it at Your feet as an offering
And if You hold everything
Then don't let go of me
Hide me in the shadow of Your wings
Oh great God of power
I have lost my strength
This is my desperate hour
I'm calling out Your name

Are You out there tonight
Are You out there tonight
Are You out there tonight
So I cry

Are You out there tonight
(You said You'd never leave me)
Are You out there tonight
(You said You'd never leave me)
Are You out there tonight
(You said You'd never leave me)
So I cry

I can't do this on my own
I can't do this on my own
I can't do this on my own
I can't do this alone
I can't do this

I'm holding on to You
I'm holding on to You
I'm holding on
I'm holding on to You
God, I'm holding on to You
Lord, I'm holding on

Holy Ghost
(Leeland Dayton Mooring, Jack Anthony Mooring)

You said I wouldn't be lonely and in defeat
You wouldn't leave me as an orphan

No matter where I go, I'm caught in the flow
Of Your never-ending fountain
I feel You everywhere
I breathe You in the air
Oh God, come and take me over

*From my head to my toes
Holy Ghost, fill me up
From my head to my toes
Holy Ghost, fill me up*

You said that I would do greater things than You
But I'll never make it on my own
'Cause You are the power in me
My strength when I am weak
Oh God, come and take me over

I will never be forsaken
No, I will never be forsaken

No matter where I go
I'm lost in the flow
No matter where I go, Lord
I'm lost in Your flow
Holy Ghost

While We Sing

(Leeland Dayton Mooring, Jack Anthony Mooring, Paul Moak)

I've sat by far too long
And I've watched the hurting suffer on their own
I have chances everyday
To live like You, die to myself
Give Your love away
And I wonder why I feel so empty inside

While I sing la la la la la la la la
As the hungry roam the streets
La la la la la la la la
As the broken are on their knees
La la la la la la la la
I keep singing

We are frozen, we are still
But we're called to be a city on a hill
And as our melodies resound
We cannot hear the silent cry
This world is screaming out
And we wonder why we feel so empty inside

While we sing la la la la la la la la
As the hungry roam the streets
La la la la la la la la

As the broken are on their knees
La la la la la la la la
We keep singing

Remember salvation's day
When Jesus washed our sins away
The lost are crying out to be saved

While we sing la la la la la la la la
As the hungry roam the streets
La la la la la la la la
As the broken are on their knees
La la la la la la la la
We keep singing
But just a song won't heal
The bleeding wound
Church wake up
We're sleeping in an empty tomb

Church arise, arise and shine
Shake yourself from the dust
God is calling us to go

Unending Songs

(Jack Anthony Mooring, Leeland Dayton Mooring, Paul Moak)

Oh Holy God, You are the melody
The cry that's ringing out of my heart
I came to life the day You died
My sin and shame were crucified on the cross
All that was lost I found in You

*And I will sing unending songs
I will sing unending songs
I will sing unending songs
Holy are You, Lord*

One true God, You met me in my nakedness
And covered me with love
My brokenness I lay before Your righteousness
In glory I am renewed, loved by You
Holy Father

Holy, holy
Holy, holy are You, Lord
Holy, holy
Holy, holy are You, Lord
Holy, holy
Holy, holy are You
Holy are You, Lord
